

Words that the algorithm considers important.

Bar length indicates importance, and color indicates to which topic: Christianity (green) or Atheism (Pink).

Please click on the words (right next to the bars) that you think the algorithm is using incorrectly, because they are not important to distinguish between Atheism and Christianity. They should be red and crossed off after you click them.

Hello Gang,

There have been some notes recently asking where **to** obtain the DARWIN fish.
This is the same question I have and I have **not** seen an answer on the net. If **anyone** has a contact please post on the net or **email** me.

Thanks,

john chadwick
